Flock Safety® Community Partnership Camera

Elevating Safety in Key Community Spaces

Targeted Security for High-Risk Areas

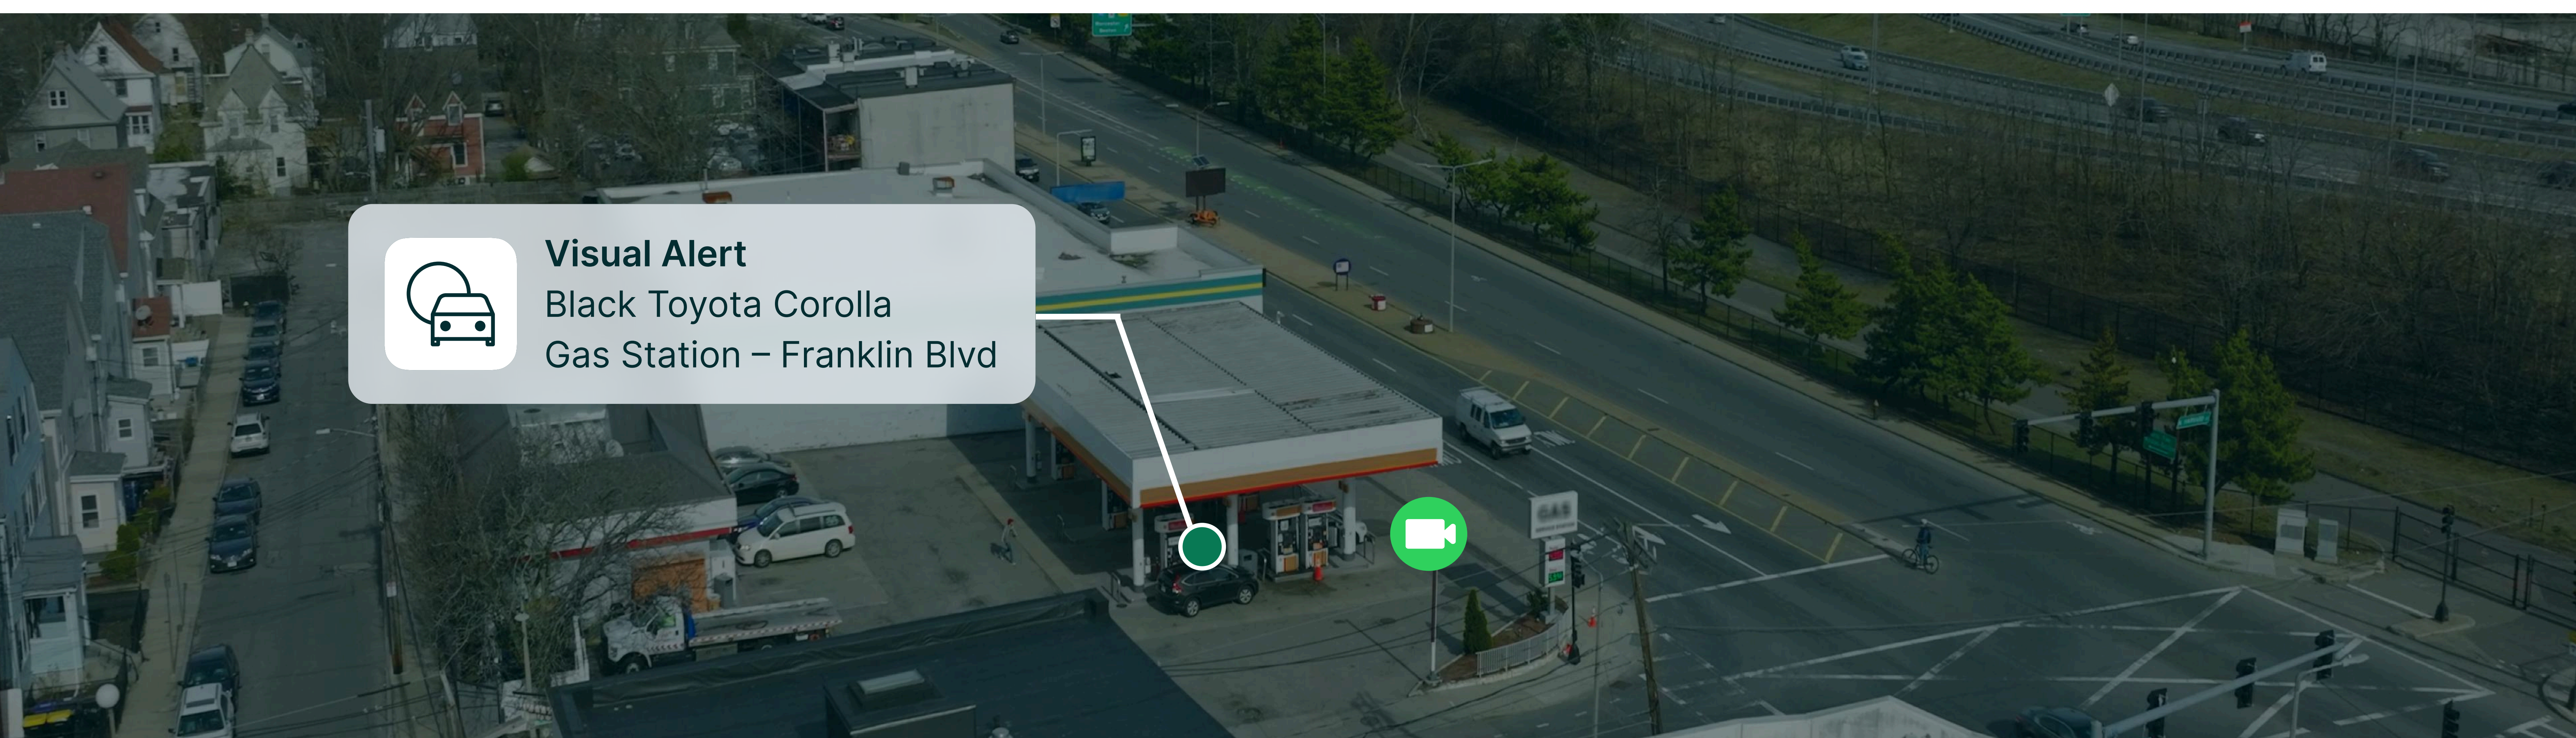

The Flock Safety® Community Partnership Camera program addresses the need for effective security in areas prone to crime, such as gas stations and convenience stores. These locations, ranking high in reported crime, often lack quality cameras and necessary internet bandwidth for connectivity.

Ideal for Small Footprints

Flock Safety® Community Partnership Camera is designed for gas stations, convenience stores, and similar venues. It's crucial in establishing public/private camera partnerships and enhancing local law enforcement capabilities.

A Solution for Your Common Crimes

- **Violent Crime:** Enable local law enforcement to spot disturbances before they become crimes.
- **Drug Dealing:** Deterrence lights signal police presence.
- **Burglaries:** Live and recorded video for incident review.

Success Story: Real Impact in Fort Worth, TX

In Fort Worth, TX, the Flock Safety® Community Partnership Camera program demonstrated its value at a gas station incident. The Real-Time Crime Center accessed live program camera footage, **the only available visual on the scene, during a disturbance call that turned into a vehicle pursuit.**

This capability allowed the Fort Worth Police Department to **monitor the situation in real time and utilize the footage as key evidence**, showcasing Flock Safety® Community Partnership Camera's effectiveness in **providing critical insights during urgent incidents.**

Explore how Flock Safety® Community Partnership Camera can be integrated into your community's safety strategy to create a more secure environment. Contact us for more information and to see how our program can work for you.
